AQUILEA

Kids Propolis

Aquilea Kids Propolis

Recommended

- ✓ Aquilea Kids Propolis is a complete natural syrup with a synergic action of propolis extract combined with different herbal extracts of echinacea, thyme and plantain, and also vitamin C.
- ✓ Aquilea Kids Propolis is used as a preventive formula since it contributes to the normal function of the immune system. It reduces the number, severity of symptoms and duration of respiratory track infections. It is recommended for children in cold weather and seasonal changes.
- ✓ Additionally, there are arguments for use as treatment, reducing symptoms, duration and the need for antipyretics and antibiotics.

Recommended for use

- ✓ Children (3 to 5 years): take 5 ml (1 teaspoon), twice daily, preferably morning and evening.
- ✓ Children from the age of 5: take 10 ml (2 teaspoons), twice daily, preferably morning and evening.

AQUILEA

Kids Appetite

Aquilea Kids Appetite

Recommended

- ✓ Aquilea kids Appetite contains a cinchona bark extract combined with royal jelly and 11 vitamins. It is a syrup recommended for children who experience a loss or decrease in appetite or / and in cases of nutritional deficiencies caused by unbalanced diets.
- ✓ Aquilea kids Appetite is recommended for the school period and for growth and child development. It contributes to increasing the appetite and it is recommended for promoting vitality in children.
- ✓ The presence of quinine from cinchona extract produces a stimulating effect on appetite. And royal jelly and a vitamin complex give it an interesting added nutritional value.

Recommended for use

- ✓ Children (3 to 5 years): take 5 ml (1 teaspoon), in the morning with breakfast.
- ✓ Children from the age of 5: take 10 ml (2 teaspoons), in the morning with breakfast.
